Adam is head of Municipal Fixed Income and a senior portfolio manager. In his role as a managing director, he supervises credit and quantitative research, portfolio management and trading, and municipal client relations. Adam is responsible for establishing the municipal fixed income strategy for the firm, and, as a senior portfolio manager, he oversees trading and strategy implementation in the municipal bond mutual funds, institutional municipal portfolios, and separately managed municipal accounts. Prior to joining the firm in 2001, he was a fixed income trader at the Vanguard Group where he focused on municipal bonds and derivatives. Adam holds his bachelor's degree in business administration from Kutztown University and his master's in finance from St. Joseph's University. He is a member of various industry organizations, including the CFA Society of Philadelphia.
