

Chang Hun Jung

Vice Chairman

Vice Chairman
Chief US Investment & Capital Group, The IUFeel
jch4389@gmail.com
Industry Experience: 18 years
M.B.A., Hallym University

Jung is Korea's vice chairman in charge of research and analysis on Asia's growth-oriented securities.

Jung is the chief investment officer of the USIC and has successfully led the company's investment committee.

Mr. Jung brings out strategies and achievements for all taxable fixed income investments and provides the company with 10 years of research and fixed income experience as an expert on asset value and security for the USIC team. Before joining the company in 2012, he was an analyst and developer of the Korean smartphone market.

There, he covered China, Taiwan and Korea and ran internationally selected portfolio funds.
