**Managing Director
Retail Sales**

Tim is managing director of retail distribution for USKIC Funds, responsible for sales through retail financial intermediaries including broker dealers.

Tim joined the firm in 2004 from PFPC Distributors Inc., where he provided sales consulting and outsourced wholesaling services for investment firms as senior vice president, senior managing director of third party distribution.

He previously held several positions with Victory Capital Management, an investment management subsidiary of KeyCorp, including national sales director, registered investment advisor and independent broker dealer sales channel.

Tim has also held positions such as national sales manager and financial consultant during a 16-year retail brokerage career. He has Series 7, 9, 24, 63 and 65 licenses and a B.A. in economics from Denison University.
